LETTER

S I R:

This is NOT a response to the Office Action dated April 9, 2003.

The above-mentioned Office Action has been designated as a Final Rejection. However, the basis given for it by the Examiner is that "Applicant's amendment necessitated a new ground(s) of rejection presented in this Office Action... See MPEP §706.07(a)." However, there is no such amendment following the election of species requirement. Consequently, the Examiner's explanation is inappropriate.

Moreover, a Final Rejection would be appropriate only in connection with a second Office Action on the merits. However, this Office Action is only the first one on the merits.

RECEIVED  
MAY 15 2003  
TECHNOLOGY CENTER 2800

In view of the above, the Examiner is respectfully requested to withdraw the finality of the outstanding action.

Respectfully submitted,  
COHEN, PONTANI, LIEBERMAN & PAVANE
